

24th open gas balloon championship of the
Aero Club NRW
in Gladbeck - Wittringen from 04.06 - 06.06.2022

Invitation

Dear gas balloonists,

the Aero Club NRW, Freiballonkommission is organising this gas balloon event. 15 gas balloons are admitted.

The launch is scheduled for Whitsun Saturday, 04 June 2022 from 23:55 on the Gladbeck - Wittringen, Germany.

A long distance flight is planned. (depending on weather conditions).

Thanks to the support of the federations we have set the entry fee at only Euro 50,- (fifty).

For this you will receive:

Gas, takeover of the starting place costs, sand, all-time full board (4 pers.) at the weather forecast, organisation.

Dear balloon friends, let us hope that the weather gods will be kind to us in June 2022. with us. After 2 years of Corona, it should be possible again to organise a sportive meeting among balloon friends. We will decide 24 hours before the start

whether the weather will permit a launch. In this way we would like to avoid an unnecessary unnecessary journey.

Welcome and good luck - Good Land
