Stop Folding

Quitting the browser will not stop folding. Folding happens in a background process on your computer through the program FAHClient even when Web Control is closed.

I'm contributing to **Project 14216**
CORONAVIRUS PROJECT
Coronavirus SARS-CoV-2 (COVID-19 causing virus) proteins. These are high-priority projects to simulate the proteins of the COVID-19.

At the time of release, this is the latest news report: <https://foldingathome.org/2020/03/10/covid19-update/>

Info: Dein Name taucht in der Statistik auf, sofort nachdem die erste Working-Unit (WU) durchgerechnet worden ist.

Change Identity

Name Team Number Passkey

aeroclub-nrw_boris 264169

If you choose a name, you can earn points for completing work units (WU).
Note: All fields are optional.

If you have joined a team you should enter your team number above. Then the points you earn will be added to your team's total.
For more information about teams and points see the [Stats Page](#).

Passkeys are used to add an extra level of security for those competing for points. Getting a passkey will also allow you to earn bonus points for completing work early.
[Get a Passkey](#).
For more information see [Passkey FAQ](#).

Einstellungen

Dein User-Name lautet idealerweise **aeroclub-nrw_username** (z.B.: **aeroclub-nrw_cumulus**, oder **aeroclub-nrw_aloysius**, oder oder)

Ohne den Präfix aeroclub-nrw_ funktioniert der Username technisch übrigens auch, aber für die Team-Identität ist die o.a. Variante besser geeignet.

Die Team-Nummer ist obligatorisch: **264169**

Der Passkey ist ganz sinnvoll, besonders bei schnellen Rechnern, Gibt Extrapunkte ...

Die „Fighting-Auswahl“ sollte der jetzigen Situation geschuldet sein und auf COVID-19 lauten.
